

VILLA SIN SIN

INTRODUCTION

Villa Sin Sin is a private complex of villas conceptualized and designed by artist and designer Ms Sin Sin Man in collaboration with Italian architect Gianni Francione.

The complex is made up of three exquisite two-bedroom villas, designed to reflect and complement their peaceful Canggu surrounds. Each one is bright, airy and open plan, with a rooftop terrace, private pool and unique pieces of contemporary art.

Nestled in Kerobokan and the peaceful surrounds of rural Bali villages and mountain views. Sin Sin Man's creative artistry can be felt throughout the villas with her carefully curated pieces of contemporary and antique art. Her unique style blended with the traditions of Bali indeed makes the villa a true work of art.
